INTEGRATED HEALTHCARE

Collaborative Care maximizes your health journey and keeps you out of the middle.

One Portal for member and patient information saves you time.

Shared test results eliminate testing and procedure redundancy to help you save money.

TRADITIONAL HEALTHCARE

Disconnected Care puts the burden of care coordination on you.

Multiple Portals to find what you need; you must keep track of multiple usernames and passwords.

Redundant tests and procedures mean more appointments and more bills.

If you have Part D prescription drug coverage through another carrier, your drug coverage will end when your new BSW SeniorCare Advantage plan starts. Medicare Advantage plans do not allow members to have medical coverage and prescription drug coverage through two different Medicare Advantage plans. (Stand-alone prescription drug plans (PDPs) are considered Medicare Advantage plans.) If you enroll in a BSW SeniorCare Advantage medical plan without prescription drug coverage, you may owe a late enrollment penalty if you try to sign up for prescription drug coverage later.

BSW SeniorCare Advantage HMO is offered by Baylor Scott & White Health Plan, a Medicare Advantage organization with a Medicare contract. Enrollment in BSW SeniorCare Advantage depends on contract renewal with Medicare. You must continue to pay your Medicare Part B premium. Other pharmacies, physicians and providers are available in our network. Not connected with or endorsed by the United States government or the federal Medicare program.
