This pharmacy directory was updated on 12/1/2022. For more recent information or other questions, please contact Baylor Scott & White Health Plan Customer Service at 1-866-334-3141 or, for TTY users, 711, seven days a week, 7 a.m. – 8 p.m., or visit advantage.swhp.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at advantage.swhp.org. You may also call Customer Service for updated information.

The pharmacy network may change at any time. You will receive notice when necessary.

This directory is for Central and North Texas which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact Baylor Scott & White Health Plan Customer Service at 1-866-334-3141, or for TTY/TDD users, 711, seven days a week, 7 a.m. – 8 p.m., or visit advantage.swhp.org.

Introduction

This booklet provides a list of Baylor Scott & White Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Baylor Scott & White Health Plan's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Baylor Scott & White Health Plan. When it refers to "plan" or "our plan," it means BSW SeniorCare Advantage HMO/PPO.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Baylor Scott & White Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/1/2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

The pharmacy listing is organized by type of pharmacy (retail pharmacy, mail order pharmacy, home infusion pharmacy, long-term care pharmacy and specialty pharmacy). To locate a pharmacy, first identify the type of pharmacy you need. Then, locate the city closest to you. The pharmacies are listed alphabetically under each city.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Introducción

Este folleto contiene un listado de las farmacias de la red de Baylor Scott & White Health Plan. Si desea una descripción detallada sobre su cobertura para medicamentos con receta y cómo obtenerlos, consulte la Evidencia de cobertura y el formulario de Baylor Scott & White Health Plan.

Cuando este Directorio de farmacias menciona “nosotros”, “nos” o “nuestro”, hace referencia a Baylor Scott & White Health Plan. Cuando menciona “plan” o “nuestro plan,” hace referencia a BSW SeniorCare Advantage HMO/PPO.

Las farmacias que figuran en esta lista son las “farmacias de la red”, ya que hemos acordado con ellas el suministro de medicamentos con receta para los miembros del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por Baylor Scott & White Health Plan únicamente si los obtiene en una farmacia de la red o a través de nuestro servicio de farmacias de pedidos por correo. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma farmacia para obtener su medicamento con receta, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Puede obtener sus medicamentos con receta en farmacias fuera de la red solo en ciertas circunstancias contempladas en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en este directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto quiere decir que es posible que las farmacias enumeradas aquí ya no sean parte de nuestra red, o que puede haber farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está actualizada a partir de 1 de diciembre de 2022. Para obtener la lista más actualizada, póngase en contacto con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

La lista de farmacias está organizada por tipo de farmacia (farmacia minorista, farmacia de pedidos por correo, farmacia de infusión en el hogar, farmacia de atención a largo plazo y farmacia especializada). Para ubicar una farmacia, primero identifique el tipo de farmacia que necesita. Luego, busca la ciudad más cercana a ti. Las farmacias se enumeran alfabéticamente debajo de cada ciudad.

Puede pedir que le envíen los medicamentos con receta a su casa a través del servicio de entrega de pedidos por correo de nuestra red. Para obtener más información, póngase en contacto con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene alguna pregunta sobre la información anterior, consulte la primera y última página de portada de este directorio para obtener información sobre cómo ponerse en contacto con nosotros.

Mail Order Pharmacies | Farmacias de pedido por correo

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling our pharmacy as soon as possible.

Typically, you should expect to receive your prescription drugs within 7 to 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-844-230-9357/711.

Mail Order Pharmacies | Farmacias de pedido por correo

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red.

Si con anterioridad ha usado los servicios de pedido por correo con su plan actual, o si desea usarlos ahora, nuestra farmacia surtirá automáticamente las recetas nuevas que reciba directamente de sus médicos u otras personas autorizadas a dar recetas y enviará los medicamentos con receta. Puede desinscribirse de los envíos automáticos de nuevas recetas en cualquier momento, comunicándose con nosotros. Si usted nunca utilizó nuestro servicio de entrega de pedido por correo o si decide interrumpir el surtido automático de nuevas recetas, nos contactaremos con usted cada vez que recibamos una nueva receta de un proveedor para verificar si desea que le surtan y envíen el medicamento en ese momento. Esto le dará la oportunidad de asegurarse de que se le suministre el medicamento correcto (concentración, cantidad y presentación) y, si fuera necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se le envíe.

Para resurtir sus medicamentos con receta de pedido por correo, usted tiene la opción de inscribirse en un programa de resurtido automático. En este programa, comenzaremos a procesar su siguiente resurtido automáticamente cuando nuestros registros muestren que se está por quedar sin el medicamento. Nos comunicaremos con usted antes de enviarle cada resurtido para asegurarnos de que efectivamente necesite más medicamentos. Puede cancelar los resurtidos si tiene una cantidad suficiente de su medicamento o si su medicamento ha cambiado. Si opta por no usar el programa de resurtido automático, comuníquese con nosotros 14 días antes de que crea que los medicamentos que tiene se acabarán para asegurarse de que su próximo pedido se le envíe a tiempo. Para cancelar la participación en el programa de resurtido automático, comuníquese con nosotros llamando a nuestra farmacia lo antes posible.

Por lo general, debe recibir sus medicamentos con receta dentro de 7-10 días después de que la farmacia de pedido por correo reciba el pedido. Si no recibe sus medicamentos con receta dentro de ese plazo, comuníquese con nosotros al 1-844-230-9357/711.
