Covenant Health Advantage

Enrolling in a Medicare Advantage plan like Covenant Health Advantage HMO can help lower your out-of-pocket healthcare expenses and give you many bonus benefits not available through Original Medicare.

Is a primary care physician (PCP) required to direct care?

No. You do not have to select a PCP to direct your care with Covenant Health Advantage HMO plans. You can see a network specialist without a referral.

How do you know if your provider is in our network?

Before you enroll, ask your local insurance agent about our provider directories or view “Find a Provider” online at BSWHealthPlan.com/Medicare.

How do you know if your prescriptions are covered?

Ask your local insurance agent or visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directory.

Can you get treatment outside the network?

Except for urgent and emergency care, you must get your care and services from providers in the Covenant Health Advantage network. If you choose to get non-urgent or non-emergency services out-of-network, you will be personally responsible for payment of all charges.

Supplemental highlights

**Hearing.** As part of our commitment to helping with our members’ overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids.

**Vision.** Regular eye exams may do more than help maintain your vision. They may also help detect other serious health issues such as diabetes or high blood pressure.* Our 2023 plans provide coverage for a routine annual eye exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You must use a network vision provider.

**Dental.** Original Medicare does not cover traditional dental care, but the Covenant Health Advantage HMO plans feature dental benefits through MetLife for no additional premium.

MetLife’s Preferred Dentist Program is a dental PPO benefit. You can visit any licensed dentist—in or out of the MetLife PDP Plus dentist network—to receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Find a participating dentist at [MetLife.com](http://MetLife.com).

---

Affordable prescriptions

The Covenant Health Advantage HMO plan can be purchased with or without prescription drug benefits. The prescription drug deductible is $0, and copayments are as low as $5 for Preferred Generic Drugs. Additional requirements or limits on prescription drug coverage include:

- **Prior authorization:** Covenant Health Advantage requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from the health plan before you fill your prescriptions.

- **Quantity limits:** Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.

- **Step therapy:** This process applies to certain conditions and encourages you to try less costly but equally effective drugs before the plan covers another drug.

Mail order prescriptions

Mail order service available for maintenance drugs. Tier 1 and Tier 2 prescription drugs are available for a $0 copay; Tier 3 and Tier 4 prescription drugs are available for two copays rather than three for a 90-day supply.

Visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directories.

Which doctors and hospitals, and pharmacies can I use?

Covenant Health Advantage HMO has a network directory of doctors, hospitals, pharmacies, and other providers that can be found on our website at BSWHealthPlan.com/Medicare. You must use network providers and pharmacies for covered services, unless authorized by the Plan.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more.

• Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you pay less.
• Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

Covenant Health Advantage HMO covers Medicare Part B and Part D drugs. Certain limitations may apply.

How will I determine my drug costs?

Our plan groups each medication into one of five “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, BSWHealthPlan.com/Medicare.

Understand the Benefits

☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit BSWHealthPlan.com/Medicare or call 1-833-442-2405 to view a copy of the EOC.

☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

☐ Review the formulary to make sure your drugs are covered.

Understand Important Rules

☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2023.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
