BSW SeniorCare Advantage

Enrolling in a Medicare Advantage plan like BSW SeniorCare Advantage HMO-POS from Baylor Scott & White Health Plan can help lower your out-of-pocket healthcare expenses and give you many bonus benefits not available through Original Medicare.

Is a primary care physician (PCP) required to direct care?

No. You do not have to select a PCP to direct your care with BSW SeniorCare Advantage HMO-POS plans. You can see a network specialist without a referral.

How do you know if your provider is in our network?

Before you enroll, ask your local insurance agent about our provider directories or view “Find a Provider” online at BSWHealthPlan.com/Medicare.

How do you know if your prescriptions are covered?

Ask your local insurance agent or visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directory.

Can you get treatment outside the network?

Except for urgent and emergency care, you must get your care and services from providers in Baylor Scott & White Health Plan’s BSW SeniorCare Advantage HMO-POS network. If you choose to get non-urgent or non-emergency services out-of-network, you will be personally responsible for payment of all charges.

Coordinated care that gives you the power to live better

Baylor Scott & White Health Plan offers an integrated healthcare experience, which means your Baylor Scott & White Health doctors and your Medicare Advantage plan are on the same team, sharing resources and collaborating to help give you the best healthcare experience possible.

Your Baylor Scott & White Health providers and your health plan use the same electronic medical records system to monitor your care. They collaborate easily and relieve you from reporting and sharing your information with each of your providers.

You can access your medical information AND your health plan information in the same place — MyBSWHealth.com.

There’s also a convenient app when you need your information on-the-go (MyBSWHealth app, available on the App Store or Google Play).

MyBSWHealth is also your connection to $0 virtual care visits with a Baylor Scott & White provider, anywhere in Texas.

It’s thoughtful, coordinated medical care and coverage, from a system you can trust.

Supplemental highlights

**Hearing.** As part of our commitment to helping with our members’ overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids.

**Vision.** Regular eye exams may do more than help maintain your vision. They may also help detect other serious health issues such as diabetes or high blood pressure.* Our 2024 plans provide coverage for a routine annual eye exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You must use a network vision provider.

**Dental.** Original Medicare does not cover traditional dental care, but the BSW SeniorCare Advantage HMO-POS plans feature dental benefits through MetLife for no additional premium.

MetLife’s Preferred Dentist Program is a dental PPO benefit. You can visit any licensed dentist – in or out of the MetLife PDP Plus dentist network – to receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Find a participating dentist at [MetLife.com](http://MetLife.com).

---

**Fitness membership.** Your BSW SeniorCare Advantage HMO-POS plan includes fitness benefits with the Silver&Fit® program. This program helps you maintain or improve your fitness with classes, digital tools and healthy aging resources.

**Routine transportation.** BSW SeniorCare Advantage HMO-POS plans include routine transportation to approved locations such as medical appointments, physical therapy visits, labs, grocery stores and drug stores.

**In-home meals.** BSW SeniorCare Advantage HMO-POS plans include a meal benefit to ease your recovery when you return home from the hospital.

**Over-the-counter (OTC) allowance.** BSW SeniorCare Advantage HMO-POS plans feature a quarterly purchase allowance (based on calendar quarter) from participating retailers for eligible over-the-counter items such as bandages, cold and allergy medicines, pain relievers and more.

Affordable prescriptions

BSW SeniorCare Advantage HMO-POS plans can be purchased with or without prescription drug benefits. Our plans offer a $0 prescription drug deductible and copayments as low as $0 for Preferred Generic Drugs. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. View the pharmacy directory to find preferred pharmacies near you.

Additional requirements or limits on prescription drug coverage include:

- **Prior authorization**: BSW SeniorCare Advantage requires you or your physician to get prior authorization for certain drugs. This means you will need to get approval from the health plan before you fill your prescriptions.
- **Quantity limits**: Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.
- **Step therapy**: This process applies to certain drugs and encourages you to try less costly but equally effective drugs before the plan covers another drug.

Mail order prescriptions

Mail order service is also available. Tier 1 and Tier 2 prescription drugs are available for a $0 copay; Tier 3 and Tier 4 prescription drugs are available for two copays rather than three for a 90-day supply.

You'll benefit from:

- Three-month supplies of your medications with the option of automatic refills
- Free standard shipping
- Telephone access to pharmacists 24 hours a day, 7 days a week
- Helpful reminders to take or refill your medications

Visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directory.

Pre-Enrollment Checklist
Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-334-3141 (TTY: 711), October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m. Monday through Friday (excluding major holidays).

Understand the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit BSWHealthPlan.com/Medicare or call 1-866-334-3141 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- If your plan includes Part D coverage, review the formulary to make sure your drugs are covered.

Understand Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
BSW SeniorCare Advantage HMO-POS is offered by Baylor Scott & White Health Plan, a Medicare Advantage organization with a Medicare contract. Enrollment in BSW SeniorCare Advantage depends on contract renewal with Medicare.

You must continue to pay your Medicare Part B premium.

2024 Medicare Star Ratings

Baylor Scott & White Health Plan - H8142

For 2024, Baylor Scott & White Health Plan - H8142 received the following Star Ratings from Medicare:

<table>
<thead>
<tr>
<th>Rating Type</th>
<th>Rating</th>
</tr>
</thead>
<tbody>
<tr>
<td>Overall Star Rating</td>
<td>★★★★☆</td>
</tr>
<tr>
<td>Health Services Rating</td>
<td>★★★★☆</td>
</tr>
<tr>
<td>Drug Services Rating</td>
<td>★★★★☆</td>
</tr>
</tbody>
</table>

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:
- Feedback from members about the plan’s service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
